Part I, Line 2:

All grants are awarded based on the grantee's capacity to carry out the project, financial soundness of the organization and the specific criteria of the grant. During the current year we had two main grant initiatives. The Punch Woods Endowment Grants are limited to supporting Community Food Security programs. A panel of food bank staff and community leaders review applications from eligible 501(c)(3) organizations. Depending on the number of applicants and fund requested, any number of applications may be funded until the funds are depleted. This is an annual process and all awardees

Part IV Supplemental Information

are chosen and paid at one time. In addition to the Punch Woods grants, we also award agency capacity building grants. Agency capacity building grants are awarded agencies who have or will partner with the food bank or who's impact on the community compliments the food bank's mission. These awards are designed to improve an organization's long-term ability to serve its constituency, increase the quality of its programs or meet compliance standards allowing continued service as a food bank partner. The applications for these grants are reviewed by staff members and awarded as needed throughout the year. Depending on the use of the funding, staff will either observe the outputs in person or receive evaluative reports from the grantees in order to monitor the use of the funds.

Sch I, Part III. Line 1

The Organization uses a proprietary software program to track receipt of non-cash grants by individuals. The State sets parameters for eligibility for certain programs which the Organization also tracks through specialized software. The Organization uses monitoring to track non-cash grants used by its agencies. This monitoring covers both requirements of the granting agency and those imposed by the Organization itself. Monitoring is logged in paper and electronic files, depending on the requirement.
