The Organization also qualifies for the charitable contribution deduction under IRC Section 170(b)(1)(a).

accounting standard for uncertainty in income taxes and believes that all of the positions taken in its federal and state exempt organization tax returns are more likely than not to be sustained upon examination. In addition, Management is not aware of any matters which would cause the Organization to lose its tax-exempt status. The Organizations's returns are subject to examination by federal and state taxing authorities, generally for three years and four years, respectively, after they are filed.

Should the Organization ever be subject to interest and penalties related to unrecognized tax benefits, they would be classified in management and general expenses in its accompanying financial statements. During the years ended June 30, 2018 and 2017, the Organization did not recognize any interest and penalties.

Part I, Line 2:

All grants are awarded based on the grantee's capacity to carry out the project, financial soundness of the organization and the specific criteria of the grant. During the current year we had two main grant initiatives. The Punch Woods Endowment Grants are limited to supporting Community Food Security programs. A panel of food bank staff and community leaders review applications from eligible 501(c)(3) organizations. Depending on the number of applicants and fund requested, any number of applications may be funded until the funds are depleted. This is an annual process and all awardees

Part IV Supplemental Information

are chosen and paid at one time. In addition to the Punch Woods grants, we also award agency capacity building grants. Agency capacity building grants are awarded agencies who have or will partner with the food bank or who's impact on the community compliments the food bank's mission. These awards are designed to improve an organization's long-term ability to serve its constituency, increase the quality of its programs or meet compliance standards allowing continued service as a food bank partner. The applications for these grants are reviewed by staff members and awarded as needed throughout the year. Depending on the use of the funding, staff will either observe the outputs in person or receive evaluative reports from the grantees in order to monitor the use of the funds.

Sch I, Part III, Line 1

The Organization uses a proprietary software program to track receipt of non-cash grants by individuals. The State sets parameters for eligibility for certain programs which the Organization also tracks through specialized software. The Organization uses monitoring to track non-cash grants used by its agencies. This monitoring covers both requirements of the granting agency and those imposed by the Organization itself. Monitoring is logged in paper and electronic files, depending on the requirement.

189,166 individuals of all ages. Through CSFP, managed in partnership with the Arizona Department of Health Services and the Arizona Department of Economic Security, we provided supplemental food assistance to approximately 7,500 low income seniors each month, totaling about 8,500 unique people over the year. Both programs were operated directly by CFB and in conjunction with many organizations in our network of partners.

Our child nutrition efforts specifically target food insecurity among children. The Backpack program engaged 20 community partners who provided volunteer and funding assistance, and distributed 62,143 packs of healthy food to nourish approximately 2,000 students over the weekend when they may not have enough to eat. The Afterschool Meals & Snacks Program provided approximately 59,755 after-school nutritionally balanced meals and 61,362 snacks to more than 1,032 children per day at local sites offering afterschool programming. The program operates in partnership with Caridad Community Kitchen, the USDA, and the Arizona Department of Education. Our School Pantry Program, launched in 2014 to increase access to healthy foods for the whole family, now serves over 472 families and 1,872 children.

Our Health Initiatives team began analyzing the nutritional value of all food we distribute, and has expanded to include activities such as developing a therapeutic food box to manage diet-related diseases like diabetes; "Food as Medicine" nutrition education collaborations with local health clinics; and planning for an urban and rural Fruit and Vegetable "Prescription"/Food Pharmacy program. Our children's nutrition education program, Food Safari, provided semester-long

lessons to 1,809 students in 15 after-school programs and parks and recreation sites, totaling 120 student hours. We also provided health education to approximately 1,830 adults and families participating in six monthly produce distribution events in Tucson and Amado; trained eight school parents participating in three of our school pantry food distribution sites to conduct nutrition education and recipe demonstrations to 420 families; taught about 30 student hours of the "Cooking Matters at the Store" curriculum; and reached 5,870 seniors with information about healthy eating and physical activity.

We also work to capture food that would otherwise go to waste in our community. Fresh produce, meats, milk, cheese, eggs, and other goods are rescued from local retailers and distributed throughout our community. In the past fiscal year, we distributed over 10 million pounds of rescued and miscellaneous food through our network in southern Arizona.

Finally, in partnership with the Association of Arizona Food Banks and St. Mary's Food Bank Alliance in Phoenix, AZ, we leverage our branch location in Nogales, AZ, located just four miles from the Nogales port of entry, to act as a produce sourcing hub for state and national hunger relief. Through these efforts, we capture fresh fruits and vegetables from domestic and international growers. This program supplied 32,632,879 pounds of fresh fruits and vegetables to other food banks, mostly those in Arizona.

* Our Local Food Pathways team managed two weekly farmers' markets, coordinated a shared market table and educational opportunities for a cooperative of more than 100 backyard gardeners, and oversaw the continuing development of a farm-to-institution value chain linking local farmers and their products to anchor institutions. These initiatives generated \$370,000 in local food sales, the equivalent of over 1,000,000 servings of local food. The farmers' markets also provided education to 8,750 people.

*In partnership with Feeding America, our national network of food banks, and the Association of Arizona Food Banks, we continue to advocate for successful "War on Poverty" interventions. These have included the Supplemental Nutrition Assistance Program (SNAP), The Emergency Food Assistance Program (TEFAP), the Commodity Supplemental Food Program for seniors (CFSP), as well as state and local policies that strengthen local food systems, including those favorable to local and urban agriculture.

* We have made Community Organizing and civic engagement a priority and have invested resources in support of this work. Our Core Team has started to engage with institutional and community leaders to begin building coalitions and collective capacity around priority issues identified by the community. As a member organization, we have collaborated with over 25 institutions through the Pima County Interfaith Civic Education Organization (PCICEO) to work on these issues, including food insecurity.

*We provided direct assistance to clients accessing governmental

programs, including SNAP. Clients we have helped to enroll in SNAP benefits cumulatively received about 1 million meals-worth worth of food assistance through the program.

* We operate Caridad Community Kitchen. Caridad runs a 10-week Culinary Training Program and, in the past year, provided 149,768 nutritious hot meals, sack lunches, and after school meals in our community. The Culinary Training Program provided 10,636 hours of training for individuals in the culinary arts; with an 80% employment rate, Caridad graduates are succeeding in the workplace, finding employment at Fox Restaurant Concepts, Casino Del Sol, Banner Medical Center, Costco, Red Robin, and more. In October of 2017, Caridad began producing senior meals, in partnership with Catholic Community Services and Pima Council on Aging, for both homebound seniors and seniors visiting congregate meal sites. Caridad produced a total of 193,888 senior meals in FY18.
